VOL. XXXI.

STANFORD, KY. TUESDAY, NOVEMBER 3, 1903. 8 A. M.

NO. 71

JUDGE M. C. SAUFLEY.

Who is holding his last term of the Lincoln Circuit Court, much to the regret of his legion of friends.

## SOMERSET.

The Galveston telephone Co. is putting in many new phones and promises satisfaction.

Mr. Nickel of Louisville, has been here in the interest of the railroad Y. M. C. A. He will confer with union services here next Sunday.

The weather continues lovely and the woods are grand in their gorgeous colors. Who but omnipotence could paint such a magnificent panorama? Kentucky oratory flows freely from every hit and school house and candidates are as numerous as flies in the summer, and all so patriotic that they are willing to be sacrificed for the good of their country.

The brick plant has undergone repairs and is now working with extra force, but is still unable to supply the demands. The many new buildings under construction are being rushed to completion before cold weather. It is a gratification to listen to busy saws and hammers in various parts of the city.

Judge Morrow gave his farewell instructions to the present grand jury five days after serving 17 consecutive years, nothing but the highest regard and respect has ever been shown him and in the language of the "Cleric of the Mountains" we might say it is a "national calamity to Kentucky" that he should be retired.

The republicans give a grand dinner on Saturday. Extensive preparations are being made for the rally, which we hope will be peacefully observed. The campaigns are becoming wearisome to all engaged and it is to be hoped that the coming election will give a quietus to all and old Kentucky will be peaceful, happy and prosperous.

## Only a Very Few Published.

It is not possible for the proprietors to publish more than a very few of the numerous letters received in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy and telling of its remarkable cures. They come from people in every walk in life and from every State in the Union. The following from Mr. F. W. Greathouse, of Pennsylvania, speaks for itself: "I would have been dead now but for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me of chronic diarrhoea after seven years of suffering. I can never say too much in praise of that remedy." For sale by W. N. Craig.

Our brother, Mr. W. P. Walton, editor of the Lexington Democrat, is kind enough to say the following good things about us: The Stanford Interior Journal has rounded out three years under the able editorial and business management of E. C. Walton, who has made it a power in the land. It has, we dare say, more subscribers than any country newspaper in the State, due to the fact that it prints all the news and gives its readers the money's worth. Mr. Walton's energy is indomitable and his determination unyielding.

Teacher—Tommy Brown, tell me the shape of the cart. Tommy—Round. Teacher—How do you know? Tommy—You told me. Teacher—Well, how do you suppose I know? Tommy—Oh, I suppose somebody told you.

For a pleasant phlegm take Chamberlain's Stomach and Liver Tablets. Easy to take. Pleasant in effect. For sale by W. N. Craig.

## CRAB ORCHARD.

Harrison Payne bought the house and lot of the late Daniel Holman for \$350.

W. E. Perkins is back from New Mexico. He left his son Roscoe, somewhat improved.

The remains of the infant of Mr. and Mrs. John Browning, of Livingston, were brought here for burial.

Jim Adams and wife, colored, desire to thank their many friends, both white and colored, for their timely help, which they so badly needed when their home and all its effects were destroyed by fire.

We enjoyed reading a very interesting letter written by Mrs. J. E. Carson, formerly of this place, to relatives here describing the wedding of her niece, Miss Alma Miller, to Mr. W. H. England. The groom is a prominent lawyer, of Topeka, Kan. Miss Miller is the only daughter of the late Geo. N. Miller, of Ranch 101, Oklahoma.

Miss Carrie Spencemore, of Broadhead, is visiting Mrs. W. E. Perkins. Dr. Edmiston, Miss Addie Cochran and little Eugene Edmiston have returned from Louisville. Mrs. Catherine McAllister has returned from a visit to her place, Mrs. Sam Scott, at Somerset. Mrs. Scott returned with her, Miss Margaret Salter, of Somerset, is the guest of Miss Myrt James. Mesdames Martha Gover, Sarah Brooks and Miss Nellie Brooks visited Mrs. Vanarsdale at Stanford.

Mrs. Coston continues quite sick. Eddie Chapman has improved enough to be out again. Miss Beulah Edwards remains quite ill with pneumonia. Tom Montgomery, oldest son of the late Wm. Montgomery, is very ill. Mrs. Emma Harris is visiting Mrs. Robert Collier at Broadhead. Miss Phillips, of London, is visiting her brother, Dr. Phillips. Mrs. J. C. Johnson and little daughter, of Lee's Landing, were guests of J. L. McWhorter and family. Mrs. S. M. Moore, our efficient trained nurse, left home again. Jas. Doones, of Lancaster, is with his brother, Dr. Doones.

## THE EDITOR'S SONG.

How dear to my heart is the steady subscriber,  
Who pays in advance at the birth of each year—  
Who lays down the dollar and offers it gladly  
And casts 'round the office a halo of cheer;  
Who never says, "Stop it; I can not afford it!"  
Or "I'm getting more papers now than I can read."  
But always says "Send it; the family likes it."  
In fact, we think it is a household word.  
How welcome he is when he steps in the sanctum—  
How he makes our heart throb!  
How he makes our eye dance!  
We outwardly thank him—we inwardly bless him—  
The steady subscriber who pays in advance.

## Gained 40 Pounds in 30 Days.

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of 30 days he had gained 40 pounds in flesh. He is now fully recovered. We have a good trade on the Tablets.—Holt, Bay Bros, Merchants, Long Branch, Mo. For sale by W. N. Craig.

The meeting at the Christian church has been in progress a week. The services by Dr. Smith are intensely interesting and are drawing the thinking people from all the churches to meeting.

The C. W. B. M. has invited all interested in missionary work to attend a special service Wednesday at 10:30 o'clock at the Christian church. An address by the Rev. Dr. Smith will be the special feature of the occasion.

The junior class of the Lancaster High School entertained the senior class Friday evening. The room was beautifully decorated in the class colors of both. Refreshments were served and a most delightful evening was passed.

Miss Annie Herndon's Halloween party was the leading event of merriment Saturday evening. Many unique features added to the interest of the hour. The house decorations suited the occasion and the hostess received congratulations on her taste and originality.

Mr. Millard Rout, the efficient deputy assessor says the taxable property of the county is about \$3,000,000, and it will pass the mark this year. Gov. Beckham's special train came through Lancaster Thursday noon. The distinguished gentlemen on it were received by an enthusiastic crowd and were listened to with great interest. Denny, of the Louisville Dental College, is at home visiting his parents.

Col. A. D. Leavell, chairman of the democratic campaign committee, is being congratulated in advance of the election for the thorough organization and superior management of the campaign in this county. Although the republicans have a majority of 250, it is believed that if the county does not give a democratic majority the vote will be so close that it will be decided democratic victory. The credit for this is due Col. Leavell and his co-workers, J. I. Hamilton, David Rose, A. K. Walker, G. T. Higginbotham, Jerome Rables, C. A. Arnold, G. T. Ballard, Elijah Ray and J. M. Rothwell, all of whom are powerful in the field and cause terror and consternation in the republican camps.

The Lancaster High School football team, composed of gentlemen only, met the Walter's School of Richmond Saturday on the grounds of the latter. Instead of a fair game and courteous treatment which Lancaster certainly expected, in as much as it always receives others in this way, the team met from the first unfair treatment from the players and was set upon by a drunken crowd from the outside until, in disgust and to keep off further disturbance, the Lancaster team left the grounds. They were not paid the guarantee money nor did they in any way receive what was due them. The game was arranged by one bearing an assumed name and instead of their game being composed of only bona fide students, as was especially specified in the agreement, one of them proved to be a professor in this school, who was formerly a member of the Princeton University team.

## Do Good—It Pays.

A Chicago man has observed that: "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You can not possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped me out many a time." Sold by W. N. Craig.

THE address of Chairman S. W. Hager, to the democrats of Kentucky, has the ring of a man who knows what he is talking about. His assertions are not based on idle rumor, but on a careful poll of the state, and upon them he conservatively figures a majority of 20,000. It is in the power of the white people of the state to make it largely exceed those figures, and we hope and believe they will do so. All sorts of frauds will be attempted by a reckless and unscrupulous foe, such as importing negroes, padding the returns in the 11th district and other methods known to the party of assassination, but if democrats will be on guard everywhere, they will go for naught. Let every democrat gird his armor on and never say quit till the polls close at 4 o'clock this afternoon. A vast deal depends on the result of today's election. No true man will do less than his full duty to make it a famous victory for law, order and the upbuilding of the state.

THE five days' journey of Gov. Beckham on board a special train came to an end at Lagrange Saturday afternoon. During the time the governor traveled about 1,400 miles, made over 60 speeches and in the aggregate addressed not less than 60,000 persons. He passed through 10 Congressional districts and made speeches in 37 counties. At the end the governor expressed himself as well pleased, saying that he never saw the democrats more enthusiastic over the state. The last day's journey was from Covington to Louisville. Speeches were made at Worthville, Sparta, Bedford and Lagrange. At Bedford the governor spoke to between 4,000 and 5,000 people. After the speaking the train went to Louisville and Gov. Beckham proceeded to Frankfort. He made his last speech at Bardotown yesterday.

THE republicans, in their parade at Somerset Saturday, displayed conspicuously a hangman's noose, and if they will go on over to Indiana and hang Taylor with it, their friends, the democrats, will forgive them for many of their sins of omission and commission.

GOV. BRADLEY has issued a long and labored "address to the people," but it comes too late and with too bad a grace to affect even a few voters. It hasn't been many months since Gov. Bradley said almost as bad things of Belknap as the democrats could possibly say.

A VOTE for the republican ticket is an endorsement of Roosevelt and his social equality practices.

It's all over but the voting and shouting and we'll wager that the democrats will do the latter.

Now let Belknap go back to "business."

### POLITICAL.

While engaged in a political discussion a man in New York killed his best friend.

Negro leaders are planning for a big industrial congress of their race to be held in 1904.

Sanford P. Dole was appointed by the President to be United States District Judge for Hawaii. George R. Carter was appointed Governor.

Judge M. C. Sautley made a telling speech for democracy at the court house Monday. The judge is putting in some telling tricks for his party.—Lancaster Record.

Chairman Dick, of the State republican executive committee in Ohio, says that Herrick will be elected by 100,000 plurality and that the Legislature will be republican by a big majority.

The chairman of the Maryland Democratic State Central Committee says the democrats will carry the State by 15,000 majority and ought to have 90 members of the Legislature on joint ballot. The republicans claim to be equally confident of victory.

Dr. W. Godfrey Hunter was notified by telegram that a meeting of the 11th district committee had been called by J. S. Cooper for last night at London to take up the Edwards-Hunter contest. Dr. Hunter did not attend and denounced the meeting as a political trick.

Both parties will hold caucuses in Washington Saturday. Joseph G. Cannon will be nominated by the republicans for speaker of the House. John S. Williams, of Mississippi, will no doubt receive the complimentary nomination of the democrats for speaker.

Democrats all over the union are taking great interest in the New York municipal contest. Kentucky and Maryland are conceded to the democrats and if Tammany triumphs in New York it is believed it will be a great aid to the party in the National campaign next year.

Judge Faulkner in a lengthy written opinion handed down at Manchester granted a permanent injunction against the county clerks, restraining them from placing the name of W. Godfrey Hunter on the ballots in the 11th district as the republican nominee for Congress.

A dispatch from Lancaster says: J. P. Doty, late candidate for the republican nomination for the Legislature, has announced that he will support Beckham and his ticket, including Bell for circuit judge. "I draw the line when the party becomes a haven of rest for assassins," says Mr. Doty.

The \$100,000 college belonging to the Christian Brothers, a Catholic order, has been destroyed by fire under condemnation proceedings in New York State in order to secure grounds for the water shed.

Nine of the 13 tobacco warehouses controlled by the Louisville Tobacco Warehouse Company have been merged into four houses. Hereafter the company will operate only eight houses, using the others for storage purposes.

### CHURCH MATTERS.

Aebury College, Willmore, has a revival in progress.

Kentucky Jews have almost raised the \$10,000 allotted for the Wise memorial fund.

Eld. Joseph Severance filled the pulpit of the Christian church at Middleboro Sunday.

Within one year every Methodist church in Louisville has changed pastors, and the presiding elder has changed.

The Bible Society's yearly receipts were \$112,405.04; number of Bibles issued 1,993,538. Total issue of Bibles 72,070,783.

Last year there were 68 Southern Presbyterian churches formed and 38 dissolved. The First church at Nashville led in members added by examination, the total being 58.

Rev. O. M. Huey assisted Rev. J. C. Carmicle in a two weeks' meeting at the Baptist church, Preachersville, which resulted in 21 confessions. Rev. Huey baptized 18 into that church Sunday afternoon in the presence of a large crowd.

Rev. W. R. Davidson writes as follows from Shelby City: Our protracted meeting at Waynesburg was a victory—12 conversions and baptisms. Thence we went to Pleasant Point and enjoyed a 12 days' meeting, where we had a glorious victory—eight conversions, eight baptized, one awaits baptism, one restored. I am now on my fourth pastorate with this church. I was ordained in this church 20 years ago. Have been its pastor four different times, have baptized over 100 into its fellowship—56 at one time. I go next to my church at Eubanks to engage in my eighth protracted meeting. I have been pastor of this church eight years and I think this is one of the best little churches in the South Kentucky Association.
